In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations at 19 CFR Part 351, published at 62 FR 27296 (May 19, 1997).

Preliminary Determination

We preliminarily determine that certain preserved mushrooms ("mushrooms") from Indonesia are being, or are likely to be, sold in the United States at less than fair value ("LTFV"), as provided in section 733(b) of the Act. The estimated margins of sales at LTFV are shown in the "Suspension of Liquidation" section of this notice.

Case History

Since the initiation of this investigation (*Notice of Initiation of Antidumping Investigations: Certain Preserved Mushrooms From Chile, India, Indonesia, and the People's Republic of China* (63 FR 5360, February 2, 1998)), the following events have occurred:

During January through February of 1998, the Department of Commerce

("the Department") requested information from the U.S. Embassy in Indonesia to identify producers/exporters of the subject merchandise. During the month of February 1998, the Department also requested and received comments from the petitioners and potential respondents regarding model matching criteria.

On February 27, 1998, the United States International Trade Commission ("ITC") notified the Department of its affirmative preliminary injury determination in this case.

Also on February 27, 1998, the Department issued an antidumping duty questionnaire to the following producers: PT Dieng Djaya ("Dieng"), PT Indo Evergreen Agro Business Company, PT Surya Jaya Abadi Perkasa ("Surya"), PT Tuwuh Agung and PT Zeta Agro Corporation ("Zeta").

On March 30, 1998, the Department issued a notice setting aside a period for interested parties to raise issues regarding product coverage. *Certain Preserved Mushrooms from Chile, India, Indonesia, and the People's Republic of China: Comments Regarding Product Coverage* (63 FR 16971 (April 7, 1998)). No parties to this investigation filed comments regarding product coverage.

In April 1998, the Department received responses to Section A of the questionnaire from Dieng, PT Indo Evergreen Agro Business Company, Surya, PT Tuwuh Agung and Zeta. Dieng and Surya informed the Department that they were affiliated companies as defined by the Department's regulations; therefore, the two companies submitted a combined response, in accordance with 19 CFR 351.401(f). Dieng/Surya also informed the Department that PT Tuwuh Agung, a related company, was not a manufacturer or exporter of subject merchandise. Dieng/Surya and Zeta reported that their home market and third country markets were not viable during the period of investigation ("POI") and, therefore, each of the companies would submit constructed value ("CV") of the subject merchandise.

On April 14, 1998, pursuant to section 777A(c) of the Act, the Department determined that, due to the large number of exporters/producers of the subject merchandise, it would limit the number of mandatory respondents in this investigation. See "Respondent
